Courses and events organized by SWC

• **February 22, Czech Tax System Guidelines**
  As the Czech tax year is approaching its end, it is high time for you to get familiar with the principles of the tax system in the Czech Republic. During the seminar you will learn some valuable tips to help you understand the tax system better and fill in the income tax return form flawlessly.

• **Work-life Balance (Recording)**
  This seminar aims to introduce you to effective ways of finding your own personal vision and the importance of it. You will also learn how to set your life priorities and a few anti-stress techniques.
  The webinar is presented by Adéla Karlovská (a lecturer, coach, management consultant and SCRUM Master).

Educational courses at CU

• **Immunity Webinar** for students and international employees organised by CU Point
• **Advanced Conversation Courses** German, Spanish or English
• **Further Education of CU employees** in social-psychological, managerial, language, and other competencies.

• **The courses under the patronage of CPPT** are intended for undergraduate and postgraduate students, scientists and other employees of the Charles University, as well as for the general public as a part of the lifelong learning program.
• **Events organized by CU POINT** intended for international students and employees of the Charles University

• **Research Data Management course** - The popular RDM e-learning course is now available in English! The course introduces basic concepts of RDM as well as useful tools to help you manage data effectively.
