Educational courses at CU

- **Further Education of CU employees** in social-psychological, managerial, language, and other competencies.

- The courses under the patronage of CPPT are intended for undergraduate and postgraduate students, scientists and other employees of the Charles University, as well as for the **general public** as a part of the lifelong learning program.

- **Events organized by CU POINT** intended for international students and employees of the Charles University

- **Research Data Management course** - The popular RDM e-learning course is now available in English! The course introduces basic concepts of RDM as well as useful tools to help you manage data effectively.
