Courses and events organized by SWC

- **November 11, Management of Science (Postponed from October)**
  Would you like to obtain a grant and do not know all the procedures? Our online session may help you get the necessary financial sources for your research. Join in the Management of Science webinar to find out more!

- **November 30, Quiz Night**
  If you are both competitive and knowledgeable, come and flabbergast your colleagues with your knowledge and memory! All Charles University employees are invited to take part in the Quiz Night.

Educational courses at CU

- **Further Education of CU employees** in social-psychological, managerial, language, and other competencies.

- **The courses under the patronage of CPPT** are intended for undergraduate and postgraduate students, scientists and other employees of the Charles University, as well as for the general public as a part of the lifelong learning program.

- **Events organized by CU POINT** intended for international students and employees of the Charles University

- **Research Data Management course** - The popular RDM e-learning course is now available in English! The course introduces basic concepts of RDM as well as useful tools to help you manage data effectively.

Events organised by other institutions

- **October 27, 2021 The first Prague’s International Researcher Meetup**
  Prg.ai in cooperation with Expat Centre Prague is organising the first Prague’s International Researcher Meetup with the aim to foster a multi-disciplined community of international researchers in Prague to ensure that academics from across various institutions and scientific fields have the opportunity to enjoy their time here to its fullest potential — both professionally and personally.
