Events

Educational courses at CU

• Further Education of CU employees in social-psychological, managerial, language, and other competencies.

• The courses under the patronage of CPPT are intended for undergraduate and postgraduate students, scientists and other employees of the Charles University, as well as for the general public as a part of the lifelong learning program.

• Events organized by CU POINT intended for international students and employees of the Charles University

• Research Data Management course - The popular RDM e-learning course is now available in English! The course introduces basic concepts of RDM as well as useful tools to help you manage data effectively.
